**Notes**

Date/Time	Note	Created By
12/28/2019 14:52	Grand View Ambulance 26 requesting hazmat response teams to get headed their way for a fire at the US Ecology Site in Grand View. They are enroute to the scene now. See D #1706 and D #1707.	Jones, Kari
12/28/2019 14:52	Per Grand View 26 requesting Mountain Home response, refer to Miscellaneous Incident #073.	Jones, Kari
12/28/2019 14:53	Partner Kris Denney left message for Jeremy Elliott StateCom On Call.	Jones, Kari
12/28/2019 14:53	Initial Conference Call Participants: Maija Reed - IOEM Hazmat Pete Purchase - DEQ Boise Rick Badillo - RRT 3 Kari Jones - State Com	Jones, Kari
	Advised participants of limited information available, there is a fire out at the US Ecology Site near Grand View, Idaho. There is a large cloud of smoke, unsure if anything hazardous is burning. Fire and EMS are enroute but EMS is requesting a hazmat team response. Maija Reed IOEM and Pete Purchase DEQ Boise asked for the RRT on call to join the conference, they will wait.	
12/28/2019 14:55	Advised Rick Badillo of situation and request to join the conference.	Jones, Kari
12/28/2019 14:59	After Rick Badillo joined the conference, he confirmed for Maija with IOEM that RRT 3 is willing to respond or at least to start getting a team together while waiting to hear from the incident commander if they have authorization to do so. Advised conference participants, incident commander may be calling in now. Put conference on hold to get update.	Jones, Kari
12/28/2019 15:01	Grand View Ambulance 26 Ed called, requesting RRT respond. He advised there is smoke coming from Cell 15 on site but so far, no other confirmation. EMS is staged 2 miles away, but can see a plume of smoke and wants to know what's in it so they can prepare in case they need to evacuate. He advised his direct cell #(208) 599-1400 for updates.	Jones, Kari
12/28/2019 15:04	Advised hazmat conference, Maija asked RRT 3 Rick if the team is able to respond without an incident commander (IC). Rick advised he's okay to at least get the ball rolling and the team starting to assemble as long as they have authorization. Maija clarified EMS is not likely to be IC, Rick confirmed it's likely Fire and Law Enforcement.	Jones, Kari
12/28/2019 15:06	Maija gave authorization for preemptive response. She will also give the IOEM Director a heads up via text.	Jones, Kari
12/28/2019 15:10	Maija Reed, IOEM, classified incident as a Level II, Pete Purchase, DEQ Boise, concurred.	Jones, Kari

12/28/2019 15:11	Advised Owyhee County of hazmat response and RRT 3 out of Nampa getting ready. Dispatcher advised the only person on scene is the IC, Sgt. Hoagland, #2022, cell #208-936-0847. She advised it's not a building, the fire is on a hill. There is explosion-like popping. The IC has fire and EMS staging. They are currently not requesting any further resources, they are waiting for the IC. She advised they currently have 2 fire engines, a deputy and the Sgt. who is IC on scene. They have a Chief Deputy and another Deputy enroute.	Jones, Kari
12/28/2019 15:15	Attempted to contact incident commander, voicemail isn't set up yet.	Jones, Kari
12/28/2019 15:20	Called Jeff Rylee, gave him a heads up on incident. When the popping sound was mentioned, he advised sagebrush can make that sound sometimes too.	Jones, Kari
12/28/2019 15:28	IC Sgt. Hoagland called in, advised they had reports of something burning. He spoke with the day watchman, and they've contacted the US Ecology guy who can come out and tell them what is at that location and is burning. The US Ecology guy is enroute from Nampa, about 20 minutes away. Currently the smoke is blowing E/SE into the desert and away from Grand View.	Jones, Kari
12/28/2019 15:29	Sgt. Hoagland advised they have drone photos of a large fire, but are waiting on the US Ecology guy to identify what is burning before taking action. He confirmed his cell number was incorrect, it's #208-250-1209.	Jones, Kari
12/28/2019 15:32	Called Grand View 26 Ed and updated him. He confirmed the wind is E/SE blowing away from Grand View. His main concern is having to evacuate Grand View if the wind shifts. Advised him the US Ecology guy is enroute and he'll be able to tell us what's burning.	Jones, Kari
12/28/2019 15:34	Mountain Home AFB Sr. Airmen Christianson called, they have resources enroute.	Jones, Kari
12/28/2019 15:36	Updated Rick Badillo RRT 3, he is rolling into Notus to grab rig now. Rick advised they have 10 members responding. He'll be about 30 minutes to the scene and his guys will probably be another 30 minutes after him.	Jones, Kari
12/28/2019 15:42	Updated Maija Reed, IOEM Hazmat, likely won't have another conference until the US Ecology guy gets on scene.	Jones, Kari
12/28/2019 15:45	Updated Pete Purchase, DEQ Boise, and advised the next conference will likely be after the US Ecology guy gets on scene.	Jones, Kari
12/28/2019 15:56	Sr. Airmen Christianson from Mountain Home called asking for safe route information for her resources responding to the fire. Advised her the wind direction, the fire is blowing away from Grand View and out into the desert.	Jones, Kari
12/28/2019 16:00	IC Sgt. Hoagland advised per the US Ecology guy, it's only metal burning, not a hazmat. They will clear the fire with water and dirt. All additional resources can disregard.	Jones, Kari
12/28/2019 16:01	Advised Rick Badillo, RRT 3.	Jones, Kari
12/28/2019 16:01	Partner Kris Denney advised Mountain Home to stand down.	Jones, Kari
12/28/2019 16:02	Advised Pete Purchase, DEQ, he asked for the incident commander contact information so he understands everything that's going on, what type of metal, etc.	Jones, Kari
12/28/2019 16:04	Advised Maija Reed, IOEM, asking for another mini-conference between IOEM, DEQ and StateComm to reclassify the incident. Advised her Pete Purchase was going to call the IC and follow up, not sure if it was going to be immediately. She set next conference call for 1630. Which will give Pete enough time to talk to the IC and she can update Jeff Rylee.	Jones, Kari
12/28/2019 16:06	Partner Kris Denney advised Supervisor Jeremy Elliott via text.	Jones, Kari
12/28/2019 16:07	Ed with Grand View 26 called for update, advised him it's not a hazmat, only metal burning. He will stand down the second EMS unit Grand View 26.	Jones, Kari
12/28/2019 16:13	Advised Pete Purchase of request from Maija Reed for last mini conference, set for 1630.	Jones, Kari
12/28/2019 16:36	Maija Reed advised she spoke with Pete Purchase, they confirmed the incident is now a Level I and he will follow up with the US Ecology Site guys.	Jones, Kari
